

2022 STUDENT PRESENTATION CONTEST

Are you an active student at a CMC³
member college?

(See the list of member colleges [here](#))

EXPLORE AN EXCITING TOPIC IN MATHEMATICS
OR MATHEMATICS HISTORY WITH A FACULTY
MENTOR!

Faculty Mentor must be a member of CMC³

Cash Scholarships up to \$300 will be awarded!

See <http://cmc3.org/students/posters/> or scan QR
code below for more information

THE DETAILS

What: Create a poster to display live, or a 5 minute video presentation to submit virtually, with the help of a Faculty Mentor

Why: To explore an exciting topic in Mathematics, Mathematics Education, or Mathematics History

When: Bring your poster to Monterey to display **Saturday December 10**, or if participating remotely, have your video ready to upload by **Wednesday December 7, 2022**

Where: You can participate remotely or in person! In person at the Hyatt Regency in Monterey, California. Virtually via [FlipGrid](#).
