

# 2024 STUDENT PRESENTATION CONTEST

Are you an active student at a CMC<sup>3</sup>  
member college?

(Ask your math instructor to check)

EXPLORE AN EXCITING TOPIC IN  
MATHEMATICS OR MATHEMATICS  
HISTORY WITH A FACULTY  
MENTOR!

Faculty Mentor must be a member of CMC<sup>3</sup>

Cash Scholarships up to \$300 will be awarded!

See <http://cmc3.org/students/posters/> or scan QR  
code below for more information

## THE DETAILS

**What:** Create a poster to display live, or a 5 minute video presentation to submit virtually, with the help of a Faculty Mentor

**Why:** To explore an exciting topic in Mathematics, Mathematics Education, or Mathematics History

**When:** Bring your poster to **Solano Community College** to display **Saturday November 2**, or if participating remotely, have your video ready to share by **Wednesday October 30**

**Where:** You can participate remotely or in person! In person at **Solano Community College**, or remotely by creating and sharing a video.
